

WHAT TO EXPECT

1. Through gentle detoxification, Hair Detox helps restore your body's natural ability to stimulate hair growth and produce healthy skin and nails.
2. A 100% natural formulation. From the moment you open a Hair Detox bottle, you can smell the "of-the-earth" botanicals. Nothing in Hair Detox is genetically modified, artificially scented or factory derived.
3. By following the recommended dosage of three or more capsules a day, you'll notice an **improvement within 90 days or we'll refund your money—guaranteed.**

ABOUT THE CREATOR

Angelo David, owner and Creative Director of Angelo David Salon, is a true hair illusionist. He is a world-renowned stylist and colorist, as well as the originator of Couture Hair Extensions & Additions™. Angelo's vast experience with hair, hair health and hair growth led him to discover that hair health issues often begin inside the body, not on the surface. That discovery was the catalyst behind the creation of Hair Detox.

HAIR DETOX

addresses many possible causes of hair loss and unhealthy skin and nails.

Doctor-formulated in conjunction with stylist-to-the-stars Angelo David, it contains 100% natural nutrients and herbs that were specifically selected for their traditional and scientifically supported abilities to help minimize nutritional deficiencies, environmental aggressors, hormonal imbalances and the effects of stressful lifestyles.

HOW TO TAKE IT

For optimal results, Hair Detox should be taken for 90 days and **must be taken with food**. Choose one of the three dosage recommendations below, based on your goal.

Dosage	Goal
2-3 capsules per day	To help maintain healthy hair, skin and nails
3-4 capsules per day	To address mild to moderate hair loss
4-6 capsules per day	To address severe hair loss, assist with detoxifying and promote hair health and growth

For best results, take Hair Detox capsules around the same time every day and always with food. If you are taking 4 or 6 capsules, can you divide them equally between breakfast and dinner. For maximum benefits, follow the suggested Dietary Recommendations outlined on the website. *On average, one bottle is a two month supply.*
